CONDIZIONI GENERALI DI VENDITA

1) Ordini - Gli ordini, in qualsiasi forma vengano effettuati, hanno efficacia di proposta irrevocabile per la durata di 30 giorni. La fornitrice ha facoltà di accettare l'ordine anche mediante la mera esecuzione dello stesso. Tutti gli articoli del presente listino in cui non Vi è specificato il colore, sono sempre disponibili nel colore nero e per gli articoli di normale consumo anche nel colore bianco ove esiste il prezzo su catalogo. Si possono stampare nei colori a richiesta da concordarsi di volta in volta nella scala RAL. Precisare sempre per i puntali interni la misura interna del tubo, per gli alettati e i puntali esterni la misura esterna del tubo. Se a fianco della serie fra parentesi è segnata una (R) significa che l'articolo viene solo prodotto su richiesta.

Essendo merce preconfezionata si deve ordinare almeno il numero o il multiplo dei pezzi indicati. La Ditta si riserva la facoltà di variare il numero dei pezzi previsto per ogni confezione in qualsiasi momento a seconda delle varie esigenze e situazioni di mercato. I clienti che ordinano merci per ritiro con propri mezzi, devono impegnarsi al ritiro entro 8 gg. dalla data di comunicazione di merce pronta. Trascorso tale periodo la Ditta provvederà alla spedizione con normali mezzi. Nel caso di merce trattenuta oltre questo limite il pagamento si intende sempre a partire dagli 8 gg. dalla data della suddetta comunicazione. Vengono addebitati sacchi, scatole, pallets ed eventuali altri speciali. Non sono ammesse eccezioni o regole, o arrotondamenti se non preventivamente concordati per iscritto con la ditta. Nel caso di spedizione parziale della merce, l'ordine si intende accettato solo per le quantità effettivamente consegnate. Gli ordini devono specificare la tipologia, le caratteristiche ed il codice di ogni articolo.

2) Termini di consegna - Le spedizioni vengono garantite mediamente nelle 2-3 settimane lavorative successive all'ordine, salvo causa di forza maggiore eventualmente comunicate al cliente. La fornitrice non può ritenersi in alcun modo responsabile (e quindi non tenuta a corrispondere indennizzi di sorta) per eventuali danni diretti o indiretti che l'acquirente dovesse subire in conseguenza di ritardi nella consegna della merce, ovvero di interruzioni o risoluzioni parziali o totali della fornitura, salvo che tali fatti siano imputabili a dolo o colpa grave della fornitrice.

3) Trasporto della merce - La merce viaggia sempre a rischio e pericolo dell'acquirente anche se venduta franco destino. Le spese di trasporto, ove non sia pattuito diversamente, fanno carico all'acquirente ancorché il trasporto venga effettuato con automezzi della fornitrice.

4) Prezzi - I prezzi possono essere liberamente variati dalla fornitrice per cui la merce verrà fatturata in base al prezzo di listino in vigore al momento in cui si perfeziona la conferma d'ordine.

5) Pagamenti - Il pagamento della merce si riterrà valido solo se eseguito al domicilio della fornitrice, entro i termini e nella valuta previsti in fattura. Il ritardo nei pagamenti, per qualsiasi causa dovuta, comporta l'obbligo per l'acquirente di corrispondere interessi moratori che vengono stabiliti in ragione di 8 punti in più rispetto al tasso legale, applicato su base giornaliera per ogni giorno di ritardo pagamento.

6) Contestazioni - Qualsiasi contestazione deve essere formalizzata, a pena di decadenza, mediante lettera raccomandata da inviarsi entro 8 giorni dalla consegna della merce. Se la contestazione risulta legittima, l'acquirente ha diritto solo alla sostituzione della merce, non prima però di avere restituito alla fornitrice quella difettosa. Nessuna contestazione può essere avanzata, neppure in via di eccezione in sede giudiziaria, se la fornitrice non abbia ricevuto il regolare pagamento della merce alla quale la contestazione si riferisce. La fornitrice è esonerata da qualsiasi responsabilità per vizi, difetti, carenza di qualità che attengono al materiale utilizzato per la produzione della merce, così come non risponde per i danni diretti, o indiretti, subiti dall'acquirente a causa di vizi e difetti riscontrati nella merce fornita.

7) Tolleranze - Si intendono ammesse le tolleranze d'uso che vengono estese a tutti i prodotti della fornitrice.

8) Campioni-materiali - Gli articoli del campionario della fornitrice e le specifiche tecniche ivi indicate forniscono solo un'indicazione generica delle caratteristiche della merce. La fornitrice si riserva la facoltà di utilizzare materiali e/o soluzioni tecniche di produzione anche diverse dalle previsioni del campionario, senza dover previamente informare gli acquirenti.

9) Condizioni particolari - Con l'accettazione delle presenti condizioni generali di vendita, l'acquirente rinuncia ad eventuali proprie condizioni generali d'acquisto, considerate singolarmente e nel loro complesso. Gli eventuali supplementi di ordini, anche se successivi ed effettuati oralmente, si intendono sottoposti alle presenti condizioni generali di contratto.

10) Legge applicabile-foro convenzionale. Il rapporto contrattuale è regolato dalla legge italiana. Per qualunque controversia, comunque dipendente dal presente contratto o collegatesi con il medesimo, è competente il Foro di Pesaro
